- Browser Compatibility
- Responsive Frameworks
- Developer Tools
- SEO Knowledge
- Build Tools
- Accessibility Standards
- Design Tools
- Problem-solving
- Databases and SQL
- Testing Techniques
- Web Security
- Continuous Learning

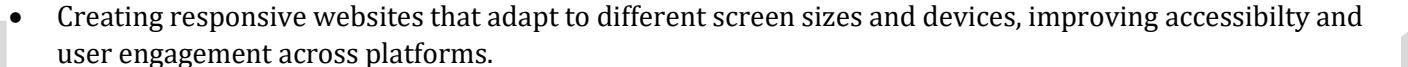

SKILLS HIGHLIGHT

- Strategic Planning.
- Superior Communication Skills.
- Quality Control.
- Multi-tasking.
- Microsoft Office Proficiency.
- Risk Assessment and Management.

WORK EXPERIENCE

Front-end Developer
AOC Engineering Limited

March 2022 - Till date

- Designing and developing intuitive user interfaces using HTML, CSS and JavaScript, ensuring seamless user experiences and optimised interactions.
 - Creating responsive websites that adapt to different screen sizes and devices, improving accessibility and user engagement across platforms.
- 

- Working closely with designers, back-end developers, and project managers to translate design concepts into functional front-end code, ensuring alignment and timely delivery of projects.
- Identifying and implementing performance optimisations, such as minification and caching techniques, resulting in improved page load times and enhanced user satisfaction.
- Actively participating in code reviews, providing constructive feedback and ensuring adherence to best practices and coding standards, contributing to a robust and maintainable codebase.

Web Developer
ASE Construction Company Limited

February 2021 - January 2022

- Built a React-based web application that was used by over 10,000 users.
- Improved the performance of the web application by 20%.
- Optimised web pages for maximum speed and scalability.
- Ensured cross-browser compatibility and mobile responsiveness.
